

Limited Visitor Policy

To help ensure the safety of our patients, staff, and loved ones...

A health screening and temperature check is required before entry.

- A (hospital provided) **surgical mask must be worn at all times**
- Stay 6-feet apart from others (unless medically necessary)
- Wash hands / use hand sanitizer frequently (going in and out of patient rooms, café, etc.)

Visitors are permitted as follows:

- **Same-day Surgical Patients** allowed 1 escort / companion. Visitors may wait in the Surgery & Procedures Lounge but are not able to enter Pre-Op or the Post-Anesthesia Care Unit (PACU).
- **Patients Receiving Outpatient Services** allowed 1 escort / companion, who may wait in designated Visitor Lounges (i.e. Lab, Imaging, Outpatient Infusion, Antepartum Testing).
- **Cardiac, ICU, Medical/Surgical, Maternity, NICU, Pediatrics, Progressive, APSSU patients** allowed up to 4 visitors per day, 2 visitors at a time in a private room. Only 1 visitor allowed in a semi-private room.
 - ✓ Inpatient visiting hours start at 9 am. **Visitors must arrive before the Main Lobby closes** to be health screened (7:30 pm weekdays, 6 pm weekends/holidays) and must exit the hospital by 9 pm.
 - ✓ Only 2 visitors are allowed in the hospital at a time, and **MUST CHECK-OUT IN THE MAIN LOBBY** to allow other visitors up (note: the designated support person in Maternity does count as 1 visitor).
 - ✓ Children are allowed (they count as 1 visitor) and must be accompanied. Children must wear a hospital provided surgical mask (unless they are under 2 years old). In Labor & Delivery, children are only allowed in *after* the baby has been born.
 - ✓ Overnight Visitors: Pediatrics and Maternity (post-birth) allowed 1 support person overnight. Laboring Mothers and NICU allowed 2 overnight support people. For Laboring Mothers, a pre-approved doula is also allowed (in addition to the 2 support people).
- **COVID Positive Patients:** Allowed 1 visitor (per day), who must get approval / check-in with the nurse before entering the patient room.

NO visitors are allowed for:

- **Emergency Department Patients.** Exception: 1 parent/guardian for pediatric patients.
- **Behavioral Health Patients**

Exceptions may be made for visiting a patient who is at "End of Life", and other necessary/urgent/legal visitations (requires hospital approval). **Approved visitors must stay in designated patient room, waiting areas, or wait off-site if waiting areas are full.** Grab-n-go food is available from the Creekside Café on the 1st Floor.
