Sharps **AND** Pharmaceutical Waste

Not all facilities take Pharmaceutical Waste. Please help us reduce volume — dump pills into a baggie. The only facilities that take controlled substances are the City of Sausalito Police Department, Novato Police Department, Central Marin Police Authority, and Mill Valley Police Department.

More Information

Used Trulicity pens: To get a free sharps container for used Trulicity pens, click on the link below and complete the fields in the purple box at the bottom of the page.

<https://www.trulicity.com/diabetes-medication-savings-card-and-support.aspx>

Mail-back programs: Used sharps are placed in special containers, which are mailed (in accordance with U.S. Postal Service requirements), to a collection site for proper disposal. Mail-back programs are available for individual use by sharps users, and can also serve as a disposal method for community collection sites. These programs work especially well for rural communities, communities that don't already have a medical waste pickup service (e.g., school systems, retail outlets, sporting arenas, casinos), and individuals who wish to protect their privacy. Please look online for U.S. Postal approved mail back programs.
