

## MarinHealth Webinar — Urinary Incontinence

Ó t

**TIME**

12:00 - 12:30 pm

**LOCATION**

[WebEx](#)

**COST**

Free

### Speaker

**Robert C. Chan, MD**

Urologist specializing in incontinence, prolapse, and overactive bladder

### About

Join us to learn the causes and solutions for common bladder problems—they can occur for a variety of reasons, and are increasingly common as we age. We'll discuss urinary incontinence, overactive bladder, and more. We'll also talk about ways to improve and even reverse some common issues. Don't miss it!
